Morrilton
High
And
Morrilton
Intermediate

If we had to choose one catch phrase that covered all phases of life at Morrilton High School, it would be **"Lay it on the Line."** Students at M.H.S., regardless of the challenge, seem to have that something extra that they can dig down inside to find when the need arises. And challenges at M.H.S. are not few and far between. In our small and meager AAA size school, we compete scholastically and athletically as one of the "Big Dogs" on the block. No challenge too big to conquer and nothing challenged that won't be a big conquering. We hope we capture the 1982-83 year, and each personal moment with its own personal radiant shine, shouting Morrilton High Schools praises, **"Layin it on the Line."**

Lay on Fur

It seems that no matter what the style or whether it's shirts, shorts, socks, belts, or hats, today's clothing seems to **"Bring Out The Animal"** in everyone. At times fashions this year began to resemble a zoo, whether you preferred the **Izod Alligator**, the **Pennney's Fox**, the **Polo Horse and Rider**, or even the **Sear's Dragon**, almost everyone seemed to wear them with their favorite pair of jeans. And for those of you who liked a less preppy look, you could always wear a T-Shirt that advertised your favorite brand of beer or your favorite rock group and even the new favorite, **"General Hospital"** shirt began to show up at MHS.

"You Deserve a break to-day," is a common phrase at 12:30 at MHS. The stampede at the gate, as the duty teacher checks the passes, would mean instant death to the slow mover or poor soul who forgot his lunch pass. The exit at the top of the parking lot looks like the Indy 500 on the final lap. And what is all this for? "The lunch crunch" 80% of the students at MHS leave campus at noon to go to their favorite "Blue Plate Special." It may be Jack and Elsie's for a quick stew and chili mix. It may be the Pizza Hut for a salad or \$1.00 pizza. It may be Morrilton Drive Inn, or the Sonic, or Beavers, for the ole standby burger and fries, or the newest edition to Morrilton's fast food family McDonalds. But wherever it is or whatever the menu, that 35 minutes from 12:30 to 1:05 is one of the most precious possessions a MHS student has. And if anyone wonders how much you can get done 35 minutes? You'd be surprised how quickly you can get to Conway and back in such a short period of time.

WAGE

Inflation, high gas costs, high college costs . . . these things, and more, cause MHS students to seek jobs. Some enroll in classes in school so that they can go to school for a half a day and work the remainder. Other students held after school jobs to earn money. You hear all kinds of reasons, **"I got a job because I needed the money to pay for a car."** **"My job helps me to pay for those expensive Christmas presents."** **"I can't go out this weekend if I don't get some money."** **"I'm going to have to pay my own way to college."** Whatever the reason MHS students enter the job market, they enter it in large numbers. Here are just a few of our **"Minimum Wagers"**: Sherry Car — Arrow, Harold Ogle and Dewayne Millsap — Cotton Mill, Stan Harmon — Morrilton Drive Inn, Jonna Poweres and Paige Henderson — Beavers, Kelli Sensabaugh and Charles Spence — Wal-Mart, Warren Stobaugh — Sale Barn, Scarlett Ormond and Tammy Riddling — McDonalds, Roger Hayes — Morrilton Drug, Pat Culbreath — Heritage Jewellery, Robert Kinslow — Road Runner, Tommy Lilley — Lilley Paint, Phil Eddy — Arkansas Valley, Paul Eades — Magic Mart.

Name a person at Morrilton High School that you feel is a good example of someone who "Lays it on the Line."

"Trey Bishop — He's a wonderful person and a great guy to be around and have as a friend. He is also totally committed to what ever he does. He does all he can to help the student body being the President of our school. That's laying it on the line!" **Roderic Toney — Senior 1983**

"Mrs. Beacham. She is a good teacher because she teaches us what she thinks we should know, not just textbook stuff." **Tracy Goodall — Senior 1983**

"Kevin Charton. He is sincere and honest about what he says. He's confident and believes in what's right." **Lisa Deaton — Senior 1983**

I think Danny Black is a good example of someone who "Lays it on the Line" because he has always openly shown his Christian values and beliefs, despite pressure from peers and pressure from our present society. Also, he isn't afraid to be a good friend to someone in need."

1982 Homecoming Queen Terri Malone

Homecoming 1982 was, as was almost all of this year, an experience to behold. "We've got the Power," was the theme of the pageant, and was brought alive on the stage by many MHS & MIHS students. Entertainment was a take off on "Fame" and between Lisa Deaton, Danny Black, the drill team and cheerleaders the audience felt like it was in the studio. The pageant could not have been complete without the tradition, and tradition was started as Jimmy Don Kellar and Charles Bingham "smacked" Queen Terri Malone twice each, when she dropped her crown, (that will be a tough act to follow). The Devil Dogs brought it all to a rousing end at 7:30 when they trounced rival Lonoke 50-7 in the worst ever defeat handed to the Jackrabbits by the Dogs.

Devil Dog Football in 1982 was one of those classic agony and ecstasy stories. It began and ended in agony but had eleven (11) weeks of pure ecstasy in between.

Russellville shot the pre-season #1 AAA team down on its first playing date by defeating the Dogs by 17 to 14 in a struggle for Morrilton to get all its offensive and defensive changes down pat. Not to be denied their ranking and certainly not their pride MHS vented its frustrations on AAA power Alma. After losing to the Airedales the last 3 times out, the Dogs trounced Alma 27 to 12 and things started to mold for Morrilton. The Subiaco Trojans all but stayed at home, but came to Devil Dog Stadium to take a beating by the Dogs 35 to 0. Eventual AA finalist Oak Grove was to post a threat to everyone this year, and they did to everyone except Morrilton. On the opening play from scrimmage QB Trey Bishop took the QB Sneak 80 yards for a TD and things went great from there as MHS dumped the Hornets their worst defeat of the year 38-0.

One of THE games of the year came, of course, at Conway. Only twice in Morrilton history has a Devil Dog team beat the Cats two years in a row. The 1982 Dogs added a third to that record. It took a goalline stand with 30 seconds left on the clock to do it though. On 4th and goal from the one yard line, Conway QB Dyer rolled right and Dogs Wortman, Pearce, and McKown threw him for a yard loss to give MHS one of the sweetest victories ever over AAAA central winner Conway, by a score of 14-7.

Morrilton started its conference schedule and defeated Beebe 42 to 7 and demolished old nemesis and homecoming foe Lonoke by 50 to 7.

Anderson Sweeps Against Cyclones

The third conference game was the most publicized game in Arkansas. Stuttgart was ranked 3rd over-all in the state and had its best team ever. Undefeated to this point the Ricebirds had allowed only 3 touchdowns on their defense and had been scoring at will on offense. Having a scoreless 1st half, the second proved to be one of Morrilton's best performances ever. The Dogs took the ball in the 4th quarter and shoved it down a great defenses throat to let tailback Kevin Anderson go over from the one for the winning touchdown. The Dog Defense held that "score at will" Stuttgart offense and won "The Shootout" 7 to 0.

The last two conference games were almost a let-down after Stuttgart. MHS disposed of Searcy by a score of 34 to 15 and won its first outright, undefeated conference championship in 6 years by defeating North Pulaski 28 to 14.

The conference championship allowed the Dogs to enter the state play-offs and have a home game against Mountain Home. Morrilton used the "Big Play" numerous times and downed the Bombers 28 to 7. This set up the quarter final meeting with the Magnolia Panthers. Defense was the name of the game that night. Ken Hogan intercepted a Panther punt in mid air and raced to the end-zone for the Dogs first score. Kevin Anderson intercepted for the second score and the offense got it going and drove in the winner as MHS advanced to the Semi-finals with a 22 to 16 win in Magnolia.

Rivercrest, a driving rainstorm, mud soaked field, and Devil Dog mistakes, proved to be the downfall of this great season. Every mistake MHS made, the Colts took advantage of and were winners before the Dogs could ever get anything going. The 33 to 0 margin was really no indicator of the successful team MHS had in 1982. The rematch between the two best teams in AAA did not happen. The Ricebirds of Stuttgart beat the Colts 7 to 0 and were crowned AAA champs with a 12-1 season record. Even with the loss to Rivercrest, everyone associated with MHS football in 1982 will remember it as one of the best teams in our history. And we all get the satisfaction of knowing who the 1 in that 12-1 Stuttgart record is. Just one personal note from this writer, "I couldn't have asked for a more rewarding year."

COACH TOMMY HUETT

For the past two years the Ayer has not contained a dedication page. However, this year we had to make an exception. We, the 1982-83 Ayer staff, feel there was really only one choice for our dedication- Coach Tommy Huett. We're sure we speak for the students and faculty when we say Coach Huett is greatly missed. Those of us who have had the opportunity to work with him and know him are thankful. For those students who will never have that opportunity, we are sorry. Coach Huett has been a part of our school system for ten years and the empty place he left will be hard to fill. He always gave more than what was asked of him. Along with his teaching and coaching duties, he sponsored the annual staff which meant a lot of extra work and long hours. He has organized and directed many successful Ayer beauty pageants. He found time to do this again for us this year, even though he is no longer a teacher here. He stayed busy at MHS, it's true, but he could always find time for any student who needed him for any reason. There are so many words we could use to express our feelings about Coach Huett, but we think this sums it up: For anyone at any time he was always willing to "LAY IT ON THE LINE"!

We asked several students and teachers to tell us why Coach Huett is a good example of someone who "lays it on the line". Here is what they had to say:

"Because he did his best as a teacher, coach, and friend and took a genuine interest in students and their problems."

Tim Pearce

"Coach Huett was a very dedicated, honest, hard working, and courteous public educator. He was the type of man who worked countless unselfish hours to assure that students' and faculty members' needs were met. He never complained about demands put upon him. Coach Huett just got the job done!"

Brian Bailey

"Because when you ask for it, he will give you his true opinion whether you are going to like it or not."

Richard Gifford

"Few people understand, as Coach Huett does, the true meaning of "laying it on the line". Professionally, he performed his duties in a thorough, organized manner at all times. His greatest asset is his personal warmth for all people and community. He takes pride in living in Morriton and cares about the people here, especially the students. Few teachers have ever spent more personal time to talk a student through a personal crisis. Put very simply, many students over the years have literally "cried their hearts out" to a man who they know will listen with compassion. Tommy Huett's life, and philosophy of living, define "laying it on the line".

The 1982-83 edition of the Lady Devil Dogs had a "classy" year under coach Pat Widders. The Lady Dogs played the season with only seven players, but with their determination and hard work they got it together and proved to be winners.

The Girls started their season off on a sour note with a disappointing 31-37 loss to a tough Batesville team . . . They came out winners next against Wonderview, Russellville, and Clinton. The Ladies then played in the Arkansas Tech Tournament with wins over Dover, 40-22, Mulberry, 44-28, Charleston, 30-29, Nemo Vista, 42-29, then a heart breaking loss, 37-34, in the finals to Mount Vernon. The girls later participated in the Mid-Ark. Tournament at Beebe

for the first time. They met Beebe for their first game and came out winners, but later fell short to Marianna, the winners of the tournament.

The Lady Dogs started off conference play with a streak of seven wins, before facing the Searcy Lions and a loss in overtime by a score of 37-36. The girls got back on track the next game by defeating North Pulaski, 50-25. This gave them the Conference Championship and assured them a berth in the Regional Tournament. This was the first time ever for the Morrilton Lady Devil Dogs to win the Conference Championship. This "classy" team consisted of four seniors, one junior, and two sophomores.

Basketball Season

As usual, the 1982-83 Devil Dogs, coached by John Widner and Lee Clay, had a fantastic year and once again were in the state playoffs.

The Dogs started off the year with two wins at the NACC Classic in Harrison by defeating Valley Springs and Harrison. The Dogs stumbled in their outing against Wonderview, but bounced back to defeat Clinton. The Dogs lost their next two games against Russellville and Conway, putting Morrilton's season record at 3-3. From then on, the Dogs, went on a rampage, winning 19 out of 20 games. That streak started with a win over Wonderview. The Dogs then went to Green Forest Christmas Tournament and came away with the championship trophy as they beat Berryville, Huntsville, and Green Forest. The Dogs came back home and defeated

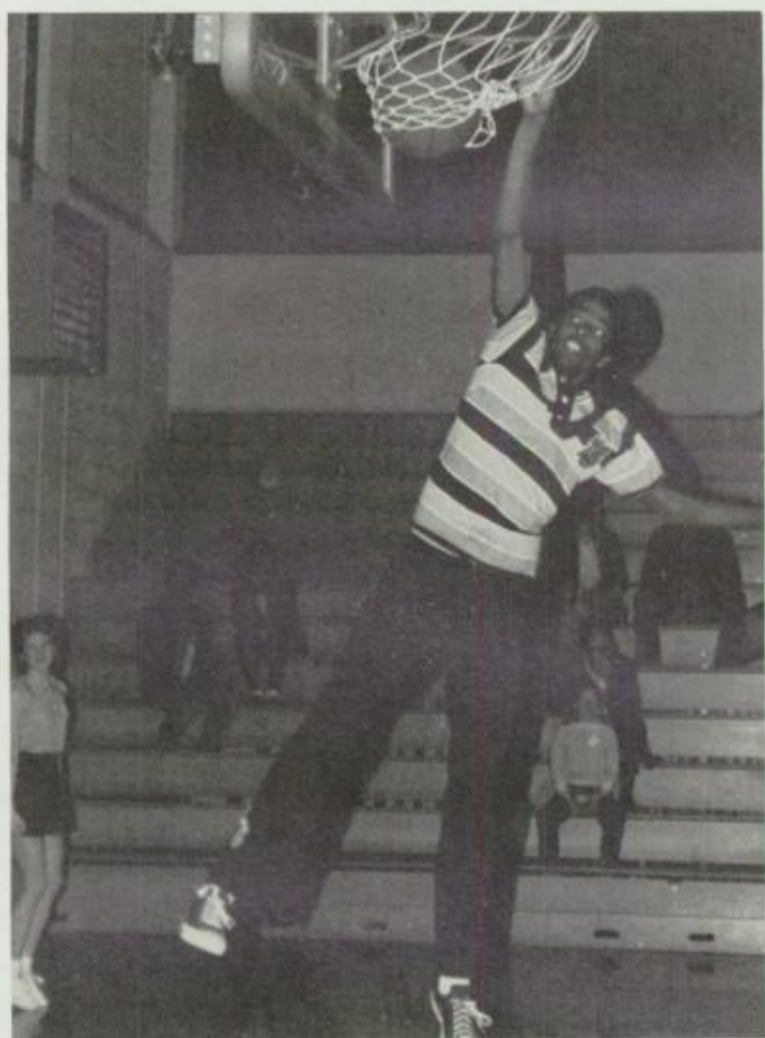

Clinton. This set up a rematch against Russellville, and in a tremendous defensive contest, the Dogs prevailed. Next was the Arkansas Tech Tournament. The Dogs won their first three games, beating Alpena, Mtn. Home, and Wonderview. That set the stage for another game with Russellville in the finals. Russellville made a miraculous shot at the buzzer to send the game into overtime, and Russellville was able to win by one point in what proved to be one of the most exciting games in Devil Dog history. After that, the Dogs then beat Conway to close out the non-conference schedule. The Dogs won their first nine conference games, but lost the final regular season game to Beebe after Morrilton had secured the conference title and a state tournament berth. The Dogs entered the district tournament sporting a 22-5 record.

The 5AAAN Regional tournament was held at Searcy where the Devil Dogs met and defeated North Pulaski and Stuttgart. Then play moved to Morrilton for the early round state tourney. The Devil Dogs downed Warren and Pine Bluff Dollarway in front of a home crowd. Now the Dogs were ready to head to Wynne for the final games of the AAA state tournament. The Dogs defeated Wynne in the first round and Harrison in the second round. The Devil Dogs lost to a tough Camden Fairview team in the final battle for the state championship.

At the beginning of this year, the Ayer Staff haphazardly chose "Lay it on the Line" as its theme. As it turns out, what a lucky guess, MHS in 1982-83 is to be applauded for its dedication and "laying it on the line, in having such a fantastic and outstanding year. All of this has been captured in these pages by a dedicated and hard working Ayer Staff. You hold in your hands the best yearbook MHS students ever produced. What a year to add this to a list of one best after another. We thank you for your help and accomplishments. I thank you for giving me so many memories to hold on to. As you look (in 10 years) at this book and remember all the good times, remember what you had to do with it and thank yourself, as I do.

Best Wishes To You Always,

Coach Huett

OUTSTANDING

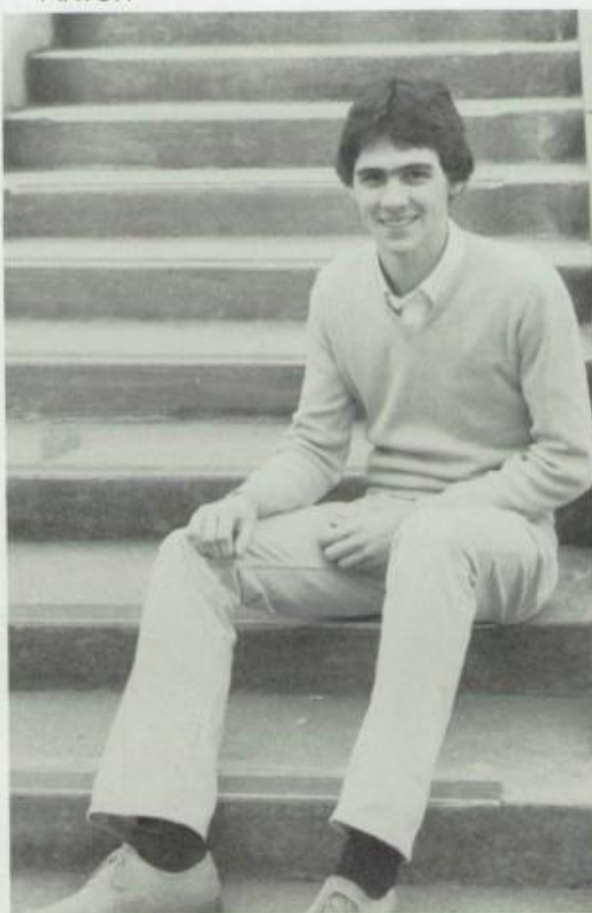

The Morrilton Intermediate High School faculty chose Craig Delacerda, Eddie Pinter, and Randy Wiley as outstanding sophomores.

SOPHOMORES

Craig Delacerda, a sixteen year old sophomore, is the son of Mr. and Mrs. Keith Delacerda. His hobbies are playing the guitar, listening to the radio, and playing video games. He plays football for the Devil Dogs and also runs track. This year Craig was elected by his fellow students as Mr. M.I.H.S. After college, Craig would like to be a computer programmer.

Eddie Pinter is a sixteen year old sophomore who enjoys sports and is a member of the Devil Dog basketball team. He is also a member of the Beta Club, Student Council, and C.Y.O. One of Eddie's honors was being chosen as Sophomore Class Favorite. Eddie wants to go to college, get married, and become wealthy. His parents are Mr. and Mrs. Ben Pinter.

Randy Wiley is the fifteen year old son of Mr. and Mrs. Woodrow Wiley. He works in the counselor's office, is a member of the Beta Club and the Devil Dog baseball team. He enjoys hunting, fishing, and bowling. Randy plans to attend college and after graduation would like to work with computers.

OUTSTANDING FRESHMEN

The Morrilton Intermediate High School faculty chose Dawn Harter, Greg Nesmith, and Robin Wilson as outstanding freshmen.

Greg Nesmith is the fourteen year old son of Mr. and Mrs. Johnny Nesmith. His hobbies include golf, football, baseball, basketball, and playing video games. Greg is a member of the Devil Pup football team, the band, and Beta Club. He received a certificate from Duke University for scoring high on the S.A.T. and he also scored high on the N.E.D.T. Greg's future interests lie in the areas of dentistry or computer science.

Dawn Harter is a fifteen year old freshman who enjoys writing poetry and swimming. She is the youngest of eight children in her family. Her houseparent is Kathleen Norris. Dawn plans to go to college and then on to law school. She is a member of the Beta Club and an excellent art student.

Robin Wilson, fifteen year old freshman, is the daughter of Mr. and Mrs. Robert J. Wilson. Her hobbies are dancing, singing, keeping scrapbooks, and playing the piano. She is active in many school groups including F.H.A., Student Council, Drillteam, and Beta Club. She received trophies at Drillteam camp for "Miss Super-sensational". She hopes to become a business executive.

1st row- Ronnie Hart, Lynn Rodgers, Lynn Bean, Matthew Pruitt, Greg Powers, Gary Harris, Randy Raper, Jason Walker, 2nd row- Rusty Deckard, Matt Bartlett, Todd Scroggins, Jeff Crowder, Whit Berkemeyer, Jim Rankin, Greg Mourot, 3rd row- Manager Jeff Little, Barry Bingham, David Gould, Randall Richardson, Todd Session, Scott Wells, Jerry Tyler, 4th row- Coach Gary Wear, Ken Brewer, Alan Fletcher, Ed Love, Greg Nesmith, Matt Krepps, Coach Mark Mallett.

The Devil Pups had many obstacles to overcome this year in football. Hurt by numbers of players and overall speed, the Pups still managed to improve each game. The Pups ended a long, hard season with a record of 2-7-1. Their record doesn't show the type of team that the Pups really were. The Pups began the season with a loss to a tough Russellville team 28-14. Their next game also resulted in a loss to Oak Grove 16-6. On the next game the Pups tied Lakewood 0-0. Lonoke was the first conference game. It was a hard fought battle with Lonoke coming out on top 6-2. Finally the Pups got their first win against Ridgeroad 8-0. The next game also resulted in a victory over Cabot 14-6. The rest of the season the Pups couldn't seem to pull it back together which resulted in losses to Conway 16-6, Searcy 16-6, Beebe 20-0, and Stuttgart 14-6. The final game against Stuttgart summed up the entire season in one game. The Pups played a super ballgame but all year they seemed to come up short by one big play. It wasn't because they didn't have determination, guts, and pride because they showed these qualities all year. The Pups were united in a goal and never quit. They played tough all year and that's what athletic competition is all about!

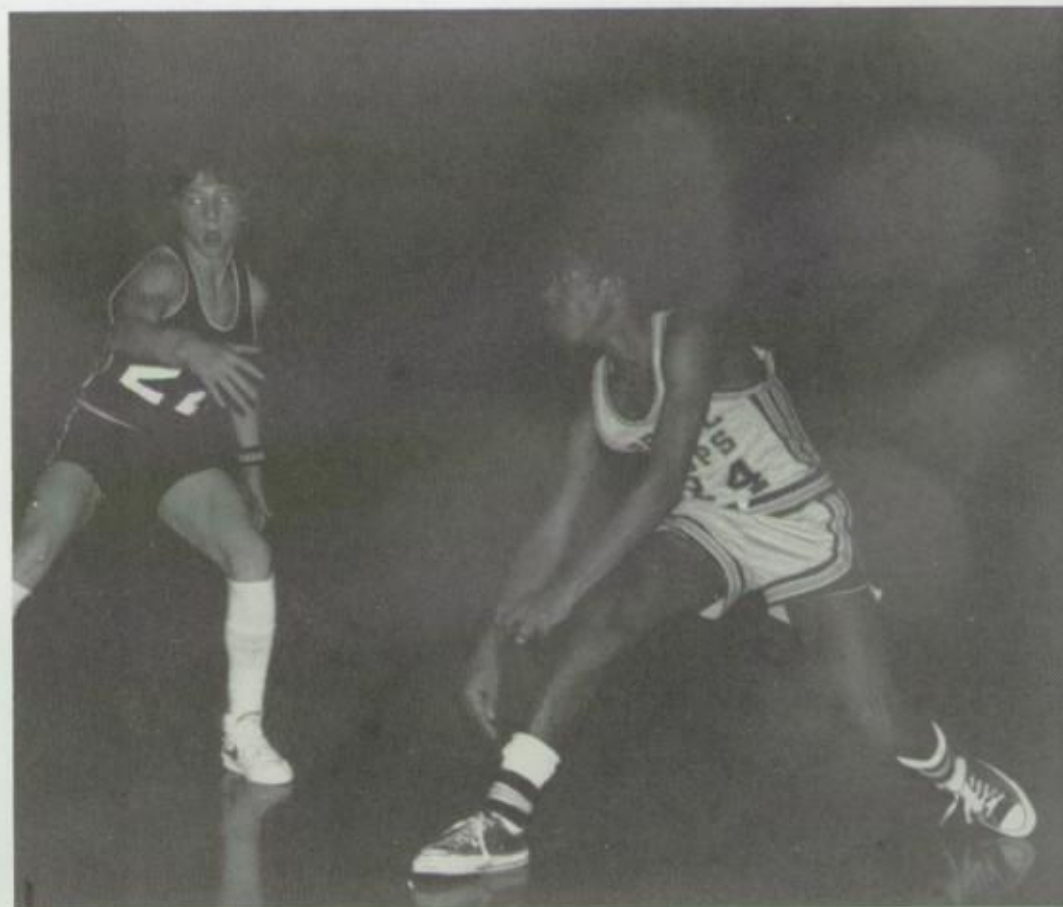

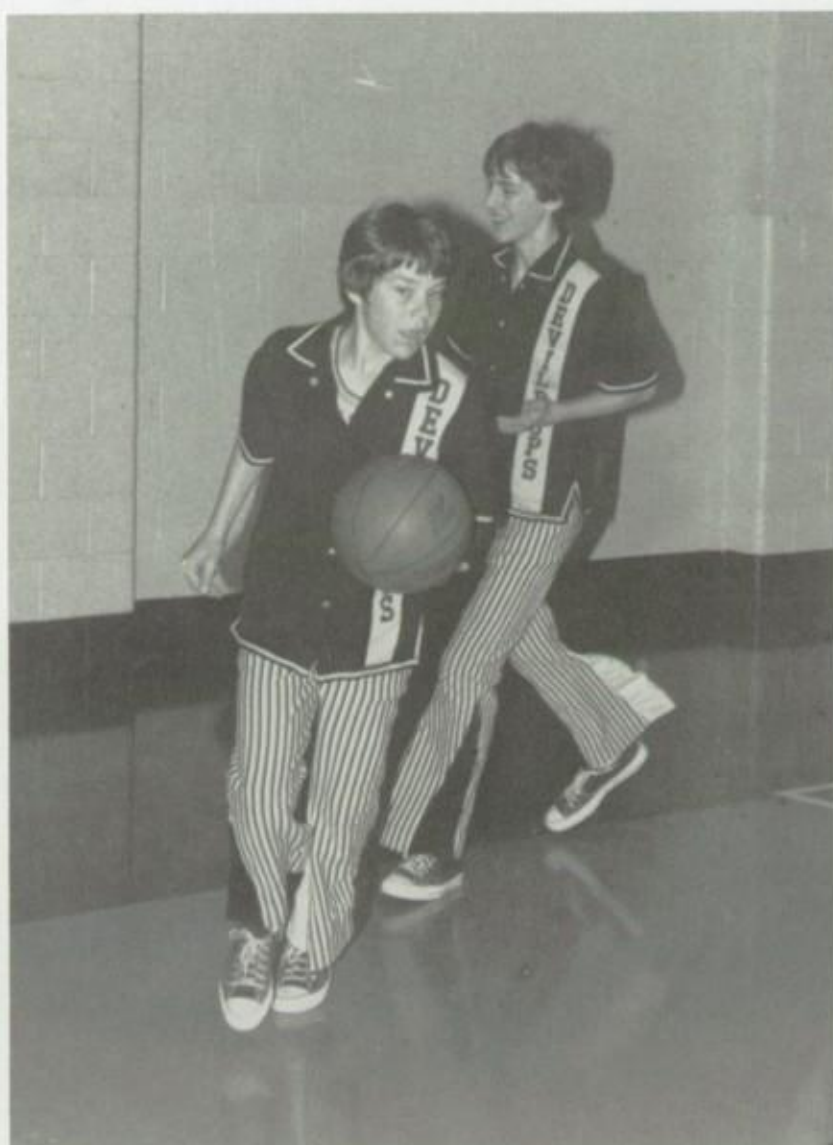

Breaking through the sign, the Devil Pups rush onto the field with determination. (top right)

The 1982-83 Devil Pups carried on the tradition as conference champs. The Pups got off to a good start as they finished at Christmas break with a 7-2 non-conference record. The Devil Pups then hit a streak of bad luck dropping three close games by less than eight points. The Pups moved on to conference play and lost their first game to Lonoke in overtime. Things looked bleak at that period of time but with hard work and some soul searching the Pups turned things around and won their last nine ballgames to claim the conference championship and finish their regular season with an 18 and 7 mark. The Pups were seeded 1st in the Regional Tournament in Searcy. They defeated Beebe in the semifinals and moved on to the finals where they met the determined team of Lonoke. The Pups came out the winner by a score of 39 to 37. The Devil Pups are the conference round robin champions and district 5AAAN Champs. New coach Joe Foley Led his team to a season record of 20 wins and 7 losses.

Lady Devil Pups Are 5AAAN Conference Champs!

The 1982-83 Lady Devil Pups finished the year with a conference record of seven wins and one loss and an overall record of twenty wins and five losses. The Lady Pups got off to a slow start early in the season, losing three of their first five games. The Pups then put together a fifteen game winning streak defeating Russellville twice, Conway twice, Mt. Vernon, Clarksville, Dardanelle twice, Ft. Smith Chaffin, Lonoke twice, Searcy twice, and Stuttgart twice. This winning streak took the Pups through the Gardner Invitational Tournament and carried them to 1st place in the 5AAAN conference race, before losing to Beebe. The Lady Pups advanced in the 5AAAN tournament defeating Lonoke 35-24, only to be beaten in the finals by Beebe 37-27.

STYLE

*Lay it

IS ...

Styles are always changing and the world changes along with them. Some styles speak to us. They tell us of a person's character. We see styles from "preppies" to "punks" to cowboys with many others in between. Shoes range from boots to loafers, but the favorite still seems to be the old stand-by, the tennis shoe. Here at Morrilton styles go from one extreme to the other, but most of us fall somewhere in between. Which style fits you?

Our time is divided between activities in school and activities out of school. If the truth was known, most of us would probably prefer to spend our time away from school. Ways to fill our days and nights are many. Studying, daydreaming, playing video games, sleeping and partying (not in that particular order) are only a few of our students' pastimes.

IN & OUT

At one time or another in everyone's life, the love bug bites. At MIHS and MHS it seems that he got more than his share. Here we see only a few examples.

SHOWS

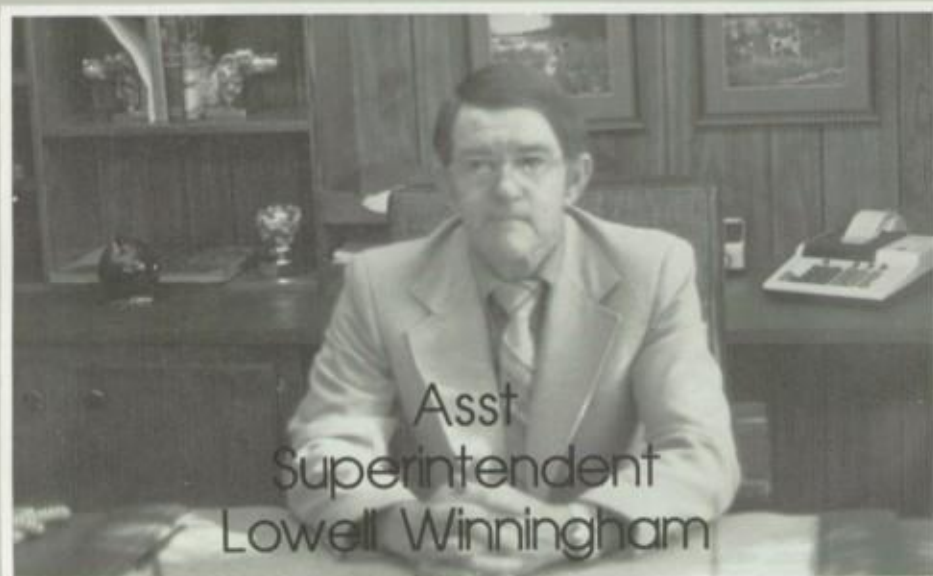

Pride is something that abounds in Morrilton. Anyone who attends MIHS or MHS has a sense of pride in being a Devil Pup or Devil Dog. We are mirrors reflecting the spirit of Morrilton and only with each person playing his role is it possible for our school to be the success that it is. Pride takes many forms. It may be a maroon "M" on a gray sweater or an A on an important exam, but whatever form it takes it is accompanied by the desire to be undisputable first.

Name one person at MHS or MIHS that you feel is a good example of someone who "Lays it on the Line".

"The person who really 'Lays it on the Line' is Brian Bailey, our new assistant principal. He has done a good job his first year as administrator. He has tried to be fair with students and teachers, and everyone knows where he stands with 'Big B.'"

Raye Pearce

"James Anderson seems to be one who 'Lays it on the Line'. I assume that laying it on the line means telling it like it is, or describing events as they appear to him, rather than how he thinks the listener would like to hear it. He may say it ever so diplomatically, but he will say it."

Perry Brown

"Mrs. Scroggins. The library at MIHS is a good place to study, read, or just browse around. The library is always quiet because Mrs. Scroggins "Lays it on the Line" when it comes to good behavior in the library."

On your 1st day here what was your first impression of our school?

"I thought the school building was very interesting looking. I really like the open halls. The students and faculty were very friendly, my only problem was trying to explain that I didn't need a lunch pass to leave campus at lunch."

What are your feelings about having some of your former students teaching with you?

"I have mixed emotions about teaching with former students. It makes me realize how old I am, but I enjoy thinking that I may be a little bit responsible for their success."

Muriel Dixon-MIHS

Give an advantage and/or a disadvantage of teaching grades 9 and 10 alone.

"This is my favorite age group — mature but not just too sophisticated. But the coordination of the two schools can be a problem. The 10th grade sometimes feels a little left out of high school activities."

How does it feel to be a celebrity, having your name called over the loud speaker every day?

"It all depends on how I feel that day. It's a pain in the neck, I always get called when I'm doing something important like napping or eating."

Lay it on the Line

Many good memories of our past school year linger in our minds as we now face new challenges. We must move forward, but we can always look back and remember the special times we all shared. We hope this year's *Ayer* will help you see that students at Morrilton High School and Morrilton Intermediate High School know how to "Lay it on the Line".

Hark, the sound of Devil Dog voices
Sounding so true blue
Singing Morrilton High School's praises,
Ringing clear and true!
Hail to the brightest star of all,
Clear in its radiance shine,
Shouting Morrilton High School's Praises,
Alma Mater Mine!
